Archie Wilson
Vice President

Mr. Wilson's nomination as Batavia Township Trustee was confirmed in 2000. Since that time, he has maintained an effective relationship with his community and has since been re-elected for another 4 years.

Mr. Wilson oversees the day-to-day operations of his own business, Midwestern Plumbing. Along with his partner, his business has successfully operated for 30 years. Prior to starting his own business, he graduated from Amelia High School and has lived in Batavia Township since 1976. He has served on numerous local boards and commissions, such as the Boys & Girls Club, Batavia Rotary Club, CASA for kids, and Batavia Union Cemetery Board. Archie is a respected member of his church and volunteers his time and talents for the good of the community.

Mr. Wilson, an avid hunter, is a member of Safari International. His love of the sport has led him to distance locations such as Africa and Alaska. Archie enjoys spending quality time with his family and friends. Bo & Skip, the Wilson's two horses, provide them many enjoyable hours of out door relaxation. Archie and his wife Sandy have a son and daughter-in-law who also reside in the Township. They are looking forward to becoming proud grandparents in November.
