Clermont Chamber meeting features Ohio and Kentucky Duke Energy President, Julie Janson

Building a sustainable energy future is difficult in any environment, but it is especially difficult in this age of uncertainty on the economy, climate change regulations, and, in Ohio, customer choice. The Clermont Chamber invites members and other area businesses to join us for the September Monthly Membership Luncheon featuring Julie Janson, president of Duke Energy Ohio and Duke Energy Kentucky, who will share the company's vision of the future of energy.

Her role entails leading the utility's rate and regulatory initiatives in addition to managing state and local regulatory and governmental relations, economic development and community affairs. She is responsible for 3,370 employees and operations serving more than 1.2 million gas and electric customers in Southwest Ohio and six in Northern Kentucky counties. Janson will discuss challenges, solutions and updates on the issues that impact all of us, and she'll also take your questions.

Sponsored by Mercy Hospitals Anderson & Clermont, Great Oaks Institute for Technology & Career Development and Duke Energy, the Clermont Chamber Monthly Membership Luncheon will be held on September 10, 11:30 – 1:00 at Receptions Eastgate. The cost to attend for Chamber members is \$25 and for future members \$50. Reservations are requested and may be made by calling 513 576-5000 or online at www.clermontchamber.com.

Founded in 1969, the Clermont Chamber of Commerce is an association of approximately 1000 businesses working together to make the Clermont County area the best place to locate, operate and grow your business.
