Are you looking for signs of sustainable recovery?

Don't miss the return of National Economist, Brian Beaulieu, to the Clermont Chamber of Commerce on Thursday, April 23, as the kick-off speaker for the Cincinnati Bell Clermont Chamber Business Expo. Executive Director of the Institute for Trend Research, Brian provides economic forecasts with 96% accuracy so companies can improve their performance and profits.

Tim Schoonover, Owner/CEO of Promark/OI Partners, and a member of a Chamber of Commerce CEO Roundtable, has this to say about Brian Beaulieu, "I have attended 2 of his presentations over the past 5 years. The information is well grounded in research, experience and solid academic enquiry. I have planned the Promark business on how this guy looks at the big picture. He is not a fortune teller or financial planner, rather he is an economist that has a very effective process for researching and forecasting activities in the marketplace." Tim further shared, "He was very clear a year ago and two years ago about what we are experiencing now. I encourage you to make this event a must as you do business planning."

You will walk away from Brian's breakfast program with new or expanded information such as:

- Short-term and long-term economic forecasts (U.S. and /or abroad).
- How our forecasts impact your company.
- Is the economy going to grow?
- What about inflation?
- What are the up and coming economies?
- What leading economic indicators should we be watching for?

Brian's presentation is entitled "Looking for Signs of Sustainable Recovery" and will layout the positive road signs to watch for.

The Breakfast will be held at Receptions Conference East from 7:30 – 9:30 with a special question and answer session from 9:45 – 10:45 for those who are able to stay another hour. Chamber members may attend the Breakfast at a cost of \$35 and Non-Members for \$50. Thank you to sponsors Grant Career Center, Great Oaks Institute of Technology & Career Development and University of Cincinnati Clermont College for making this presentation possible.

Register today by phone 576-5000 or online at www.clermontchamber.com. See the future first before your competition does!
