MANUFACTURING SUMMIT VENDOR GUIDELINES

TICKETS: Each exhibitor will receive one ticket to the Manufacturing Summit event. Please provide the Chamber with the name of that attendee no later than April 5. Any additional tickets must be purchased at the Chamber member ticket price of \$50.

REGISTRATION / SET-UP / REMOVAL: Registration for the event guests will open at 3:00 pm. Vendor table set-up begins at 2:00 pm and you must be at your booth setting up by 2:30 pm, and complete by 2:50 pm. All exhibits must remain intact until the end of the program at 5:00 pm. At that time, vendors may stay at the event for the remaining "optional happy hour/networking", or they may pack up and head out, as long as it will not be disruptive to the event as a whole.

BOOTH FEATURES: Each exhibitor will be furnished with one 8' draped table, with chairs available upon request. You may bring your own supplies as well, please let Chamber staff know what you plan to bring, including if you can bring your own table.

ELECTRIC: Electric can be provided for your booth. If you require electric, please let Chamber staff know.

CRATE/BOX STORAGE: Packing boxes should be stored under your draped table. A limited amount of storage space will be available for larger crates, etc.

SOLICITING/SAMPLES/PRIZES: Exhibitors are encouraged to provide attendees with a special offer or coupon, though not required. Samples, literature, and other materials may be distributed by exhibitors within their own booth space. Door prizes may also be donated for giveaway at the end of the event; please notify Chamber staff in advance so the prize can be announced. No soliciting is permitted in the common spaces or in other exhibitors' booths.
